

Getting from Paros Airport to Tao's Center

From Paros airport turn north (left when you are with your back to the airport) in the direction of Parikia.

Drive straight all the time until you get to Parikia (you will see shops, houses etc.). When you get to a T junction (in Parikia), turn right and go straight, in the direction of Naoussa. After 500m there is a V junction. Take its left side.

Drive straight all the time until you get to the entrance of Naoussa.

When you see a big super-market on your right and a petrol station on your left, turn right. Go straight until you get to a T junction.

Turn right in the direction of Ambelas, and after 100m turn left towards Ambelas.

After 1.5km turn left following Tao's sign and continue following the signs until you get to the Center.

Happy journey and see you soon,
